Making Paper New Again.

BPM *Inc*

™

Envirographic™ 100

Making Paper New Again.

100% PCW Recycled Paper

An earth friendly choice for your paper needs.

BPM Inc. is committed to manufacturing Envirographic™ 100, a 100% post consumer waste recycled paper, which helps reduce waste in landfills, saves trees, greenhouse gases, and wastewater. We close the loop by reusing collected paper and making it new again. Making environmentally friendly papers for you is our specialty.

Environmentally Friendly

- Manufactured with 100% post consumer mixed office waste
- Post Consumer Waste material collected from North America
- 100% Process Chlorine Free
- Governor's Award for Excellence in Energy Efficiency Recipient
- Launched aggressive energy saving efforts with the help of Focus on Energy
- Department of Energy - Save Energy Now® LEADER

Certifications

- FSC Certified
- SFI Certified
- 100% Process Chlorine Free Certified
- US Postal Service Automation Compliance Tested Approved (Envelope Grades)

Characteristics

- Archival Quality Paper
- Outstanding opacity for two-sided copying
- Consistent high performance on copiers, laser printers, plain paper faxes and offset presses
- The recycled content exceeds all State and Federal requirements
- Made in the USA

Copy Paper

Characteristics:

- Excellent for laser, ink jet, copy, and fax
- High print quality
- Excellent opacity
- Exceeds 30% and 50% PCW requirements
- Archival quality paper

Certified Environmentally Friendly:

- FSC Certified
- SFI Certified
- 100% Post Consumer Waste Recycled Paper
- 100% Process Chlorine Free

Common applications:

- Office
- Home
- Various printing applications
- Flyers and Inserts

Private labeled ream wrap, labeling and carton packaging programs available.

Environmental Impact: 40 cartons

Using 40 Cartons of 8.5 x 11" Envirographic™ 100 instead of non-recycled paper saves:

Trees	24
Net Energy	8 million BTU's
Greenhouse gases	2,460 lbs CO ₂ equiv.
Wastewater	11,848 gallons
Solid Waste	720 pounds

Numbers based on information by Environmental Defense. www.papercalculator.org

Pastel Colors:

Pastel colors manufactured on a make-only basis. Mill minimums may apply. Please call us at 1-800-826-0494.
