

PAPER AND FILM  
OVER WRAPS

**BPM**  
TM

BPM is a progressive manufacturer of specialty papers and converted materials for the food service and packaging industries. Our ability to offer full-service printing and wax/polymer coating makes us more than a paper company—we're a value-added partner in your business.

Extensive knowledge of packaging processes and equipment, and the continuing pursuit of new technology, creates a full value outcome for our customers—  
innovation,  
better performing products,  
and diverse capabilities—  
all under one roof.

## We've Got It Covered

- All substrates meet established food grade cleanliness requirements
- Enhanced productivity through converting equipment
  - Superior performance on Valley, Dynawrap, and Omega wrap equipment
  - Flexible substrate with good tear resistance provides excellent core tucking
- Smooth MG surface characteristics produce outstanding graphics
- In-house printing bolsters BPM's capabilities
  - Package over wraps printed in up to 8 colors on paper substrates as well as a wide range of film types and thicknesses
  - Excellent color matching and color control capability to meet demanding customer requirements

## Going Above and Beyond

Value-added services further elevate BPM from the competition and enhance the building of long-term relationships with our clients.

Our team members have a vast knowledge of converting equipment used to wrap tissue products. We'll work one-on-one with you to develop custom solutions that maximize your performance while keeping costs within your budget. If you have a special request, call BPM's customer service group.
